## Fire Box

Supplied with fuel logs or smokeless bioethanol. Bring your event to life with a real fire, creating an awesome atmosphere.

## Rustic Ash Bar

Made locally from solid Lake District ash, this is a Fjell favourite and works naturally with the Tipi timber.

**Chill Out Tipi**  
(inc. Matting & Controllable LED Lighting)

The perfect place to catch up and relax with friends. Ideal for a bar, snug or extra space linked to a Giant Tipi. Our Chill Out Tipi can be linked with an open or tunnel link. Includes matting LED lighting with a dimmer/ colour mixer.

**Other snug and bar accessories:**

**Half Barrel Table**

Oak wine barrel tables add a rustic feel to your bar or snug area.

**Pine Bar**

In keeping with the Scandinavian look our pine bar keeps the cocktails flowing. 2m in length they are ideal for serving; pumps can be attached and barrels stored.

**Double Chiller**

Fits perfectly behind a 2m bar.

**Coat Rail**

Includes 20 hangers.

# The Dance Floor

Our wood effect dance floors with contrasting alloy trim come in a range of sizes:

**Standard 15' x 15' or 15' x 18' and 15' x 21'**

## Disco Tipi Set

Mirror ball & fairy lights up every pole in the dance floor tipi.

## Mirror Ball

Add some retro glitter! Works well in the tipi cone.

## Stage 8' x 12'

Top of the range LiteDeck stage. Additional 4' x 8' panels can be added for larger bands.

# Lighting:

## LED Lighting

Change the colour and brightness in each tipi with a dimmer/ colour mixer that allows you to warmly light chill out areas and colourful dance floor areas separately. Warm white, pink, amber and every colour in between are possible to match your style or theme.

## Fitted Festoon with Dimmer

Come as standard in each Tipi and are made to fit the Tipi circumference. They can be dimmed down to reveal glowing elements creating an atmospheric dance floor in one Tipi & brighter seating area in the next.

## Fairy Lights

A wedding favourite, fairy lights add sparkle and ambience throughout the tipis.

# Furniture

## Beech Folding Chair

Work well with either Pine or 5'6" Round Tables.

## 5' 6" Round Table

Seat 10. Requires table cloth.

## Pine Table (Seats 6-8)

Made from natural pine in Sweden, these Scandi designed tables and benches are ideal for banquet seating or your bespoke table plan.

## Pine Bench (Seats 3-4)

Add to matching tables, or use outside for extra seating.

## Rustic Cake Stand

An eye-catching centre piece, in keeping with the Tipi style which is perfect for cut the cake photos or blessings.

# Finishing Touches

## Ivy Garlands

Bring the outdoors in with ivy wrapped around internal tipi poles.

## Floral Hoop

Create a unique floral showstopper suspended from the apex of the tipi.

## Chalkboard

Add a welcome message or order of service.

## Square Pine Table

Square Pine Table, ideal for cards, cakes or guest books.

# Essentials

## Hard Flooring

Unique to Fjell. Our hard flooring creates a solid raised floor that can be matted over. Look out for special winter offers Nov - March.

## Space Heater

(inc. Thermostat & 10 hours of fuel)

A must for winter events though we recommend year-round to take the chill off in the evening. For larger structures we can install multiple heaters to keep things toasty. Includes a thermostat & 10 hours of fuel.

## Catering Tent

(Catering tent, awning connection to tipi, hard flooring, lighting, 6 x tables)

6m x 6m catering tent with awning connection to a tipi comes with hard flooring, lighting & 6 catering tables. Linked catering tents complement our tipis and are just what caterers need to serve directly into the tipi without going outside.

## Catering Upgrade

6m x 9m Catering Tent for larger events or more elaborate menus. The extra space comes with 3 more tables.

## Extra Catering Table

Ask your caterers if the standard amount is enough for their needs.

## Event Generators & Power Distribution

We supply power and distribution for our tipis events. The generators we supply are regularly serviced, reliable and comply with statutory health & safety requirements. The cabling and socket boxes we use are regularly checked and PAT tested. Please let us know if you would to hire an additional back-up generator.

## Socket Set

Power points for band, bar areas, caterers or phone charging. Domestic extension leads are not suitable at public / private events.

## Toilets

We can supply luxury loos or put you in direct contact with our recommended supplier.

## Fjell Site Attendance

If you need a member of our staff to keep an eye on things please let us know. We'd be happy to quote based on hours and mileage.
