## Tree Slice Centre Piece

A natural centre piece which brings the rustic wood to the heart of the table decoration.

## Log Name Holder

Ideal for table names and matches the tree slice centre piece.

# Essentials

## **Hard Flooring**

Ideal for heels, it is a party after all! Creates a solid raised floor for matting to sit on. Look out for special Winter offers Nov - March.

## **Heater**

(inc. Thermostat & 10 hours of fuel)

A must in winter but we recommend year round to take the chill off in the evening. For larger structures and winter events we can install multiple heaters or larger units to keep things toasty.

## **Catering Tent**

(Catering tent, awning connection to tipi, hard flooring, lighting, 6 x tables)

Made of canvas, our catering tents match the tipis and are just what caterers need to serve directly into the tipi without going outside.

## **Catering Upgrade to 6m x 9m Catering Tent**

For larger events or more elaborate menus. The extra space comes with 3 more tables.

## **Extra Catering Table**

## **Fjell Crew site attendance (minimum of 4 hours)**

If you need a crew member to keep an eye on things, let us know and we can price accordingly.

## **Generator with fuel, distribution & sockets (dependent on event)**

We prefer to supply power if required at your location to make sure everything complies with health and safety standards. Pricing is based on your requirements and includes a generator, cabling, distribution points, power sockets, set up, delivery and collection.

## **Socket Set**

Power point for band, bar or phone charging. Domestic extension leads are not suitable at public / private events.

## **Toilets**

Ask for recommendations.
